Edward Dennis, Bert Meritt Win Posts On City Council At Election

Add Two Men To Draft Board 103

Daly City Draft Board No. 103 is now composed of five members. Two additions to the board membership have just been made.

They are Clarence Walter Peterson, San Mateo, and Fred B. Keyston, San Mateo. The other three men are Fred A. Collins, Dr. J. C. McGovern, and Otto Schramm.

Mrs. Isabelle Flynn, chief clerk, has not as yet received an April quota for the armed forces but expects that both Army and Navy will request men before the end of the month.

One-hundred-eleven registrants under the jurisdiction of the local board are to take their pre-induction physical examinations, Saturday, April 22. Mrs. Flynn pointed out that no preliminary meeting will be held at the city hall in Daly City, this time. Instead, the men will go directly to San Francisco headquarters at 428 Market street, on that date.

Jefferson To Observe Public Schools Week

Jefferson Union high school is now making arrangements for the observation of Public Schools Week, beginning April 24. As has been the custom in past years, an open house program will be given. Date has been set for Tuesday evening, April 25, and co-sponsors are members of Crocker Lodge No 454, F. and A. M.

Dr. Walter F. Dexter, state superintendent of public instruction, has issued a statement urging the people to visit their neighborhood schools during the week.

Details of the local high school's observance will be announced, next week.

Monday Council Session Uneventful

Daly City council meeting, Monday night, was brief and uneventful. Mayor A. J. Gaggero called the session to order at 8:22 p. m. and by 9 o'clock a motion to adjourn was passed. Members of the official family present were Councilmen Edmund Cavagnaro, Eugene V. Lynch, and Howard A. McHugh, Police Chief James G. Reardon, Fire Chief Andrew P. Chesney, City Attorney F. E. Hoffmann, City Clerk B. C. Ross, City Engineer R. A. Klassen.

The two matters beyond the mere mechanics of conducting the meeting were both put over until subsequent meetings. One was the condemnation proceedings against the properties at 233-249 Los Olivos avenue. April 10 had been set for the protest hearing but no one appeared. Councilman Lynch made a motion to lay the matter over to the Monday, April 24 meeting.

The other program discussed was that of granting special water rates to Daly City residents raising Victory Gardens. The city attorney was instructed to draw up the necessary resolution and the council will take action at either the caucus or next general meeting.

A report was made to the council of the April 6 meeting of the Northern San Mateo County Municipal and Civic league at South San Francisco when Dr. Charles C. Gans was present and gave encouragement to the plan for an emergency hospital in this end of the county.

There will be no further meetings of the league until the San Mateo County Board of Supervisors indicates what action it will take on the emergency hospital and ambulance service program. The matter is to come before it, this month.

Police Investigate Several Accidents

Auto accidents which necessitated Daly City police investigation in the past few days, included the following:

April 5 at 3:43 p. m. Officer George Hopman ordered a Packard touring sedan towed to the Daly City garage after it ran down the hill and into a P. G. and E. pole at Santa Barbara and Los Olivos avenues. It had been improperly parked in front of 44 Los Olivos. Owner of the runaway car was Lawrence Ricketts, Oakland.

Chief James G. Reardon and Officer Hopman discovered, April 6, 3 p. m., that a Pontiac 6 had run down Hillcrest drive and into the fence at 131 Hillcrest drive. The car was towed to Daly City garage after the officers found that it was locked, there were no

Red Cross War Fund Drive Continues

Daly City has definitely reached the $4,000 mark in its 1944 Red Cross War Fund drive, according to Mrs. Joseph Conlon, chairman of the women's division. She explained that most of her volunteers are winding up their activities but that she would still be happy to accept donations at her address, 462 Templeton avenue.

Two workers passed the $200 point in their solicitations. They were Mrs. Thomas Gold, 170 Acton street, and Mrs. Marie Gehrig, 342 Irvington street. Four exceeded $100 in collections, Mrs. Margaret Lang, 343 Irvington street; Mrs. Lucille Lemon, 267 Los Olivos avenue; Mrs. Christine Johnson, 401 Westlake avenue; Mrs. C. W. Roberts, 167 Los Banos avenue.

Two streets made outstanding records during the drive. Risel street was 100 per cent, while the upper two blocks of Templeton avenue gave the highest per capita donations in the city.

Girl Scouts who will earn their Red Cross pins because of giving 16 hours or more service during the War Fund drive include Shirley Van Vleit, Barbara Marsh, Joan Vittori, Feral Walrod, Mary Lou Montano.

Daly City's quota for this year was $8,000, largest ever assigned to this area. Both Mrs. Conlon and John Degliantoni, chairman for the business section, exerted much effort to attain the goal. Even with the extension of the drive from the original March 31 deadline, however, it is not expected that this community will attain the $8,000 request.

All those who have not given or who have not given as much as they could afford are urged to contribute during April, while final "clean up" operations are under way. Checks may be mailed to Mrs. Conlon, who will next week make a detailed report of funds received during the campaign.

Jack Anderson Addresses Lions

Daly City-Colma Lions club members and their friends heard Congressman Jack Anderson, this district's representative in Washington, discuss domestic and military matters at their luncheon meeting, yesterday.

Anderson pointed out that the Emergency Price Control act will undoubtedly be extended by Congress by June 30, but with safeguards to help curb the domination of bureaucracy. He said that obviously we must have price control but that it must not be used as an excuse for "theorists and dreamers" to tamper with the American way of life.

The Congressman told his audience of plans for post-war conversion to private industry. He also discussed a recent conference he had with Admiral Nimitz on the progress of the war in the Pacific. The push in the Pacific will see even more tremendous expansion in California, Anderson predicted.

Army and Navy approval of Congressman Jack Anderson plans in Congress for re-establishing service men and women in civilian life, was expressed, this week, in Washington, according to word received by Anderson at his San Jose office. The Congressman is home during the Congressional recess for a tour of his district.

Anderson's plan for helping veterans to find jobs in private industry after victory parallels to a great extent methods being used by the Army and Navy for aiding veterans now being discharged

Defeat Incumbents Fahey, Cavagnaro

Taking the lead in all but three of the nine consolidated voting precincts, Edward J. Dennis and Burton L. Meritt emerged the winners in the 1944 contest for seats on the Daly City council. Final tally of votes cast in Tuesday's municipal election gave Dennis, 1296; Meritt, 1234; the incumbents, John J. Fahey sr., 978; and Edmund Cavagnaro, 975.

On the ballot without opposition, City Clerk B. C. Ross was given a complimentary vote for reelection of 1703, and City Treasurer Mrs. Florence Stockton, 1671.

Little more than 2200 votes were cast, out of a city registration of over 4000, or about 55 per cent. As a whole, Daly City experienced one of its most dignified political campaigns, although from the first there was evidenced considerable organizational work. Candidates' appeals were mainly based upon their respective merits, rather than the widespread "mud slinging" which has characterized many of the local campaigns in the past.

Councilmen-Elect Dennis and Meritt will replace Fahey, who has served for the past twelve years on the board, and Cavagnaro, with eight years' service completed Fahey presided over the council as mayor for two years, and has taken an active part in civic affairs over a long period of time. Cavagnaro has been especially active in park and recreational matters, besides holding membership on other important board committees.

The reorganization meeting of the city council has been scheduled for Tuesday evening, April 18, at the city hall. A resolution authorizing the final election returns to be made official is slated to be passed and the two seats on the council declared vacant. Thereupon the newly elected councilmen will be seated.

Appoint Charles Norry Playground Director For Sports At Marchbank Park

Baseball and other sports for younger boys of Daly City were provided, last week, with the appointment of Charles Norry as playground director for these activities at Marchbank park. Saturday and Sunday schedules are being worked out to provide recreation for youths of 15 years and under.

Competitive sports are planned for teams representing the park group to meet playground teams from San Francisco. Just now baseball is the seasonal sport, and last Saturday the Daly City boys won their first game, 7 to 6, from Amazon playground. Norry reports that, on this opening day, some 40 boys turned out for the team.

The appointment was made by the city council at its caucus meeting, April 3, when it was also agreed to pay for necessary gloves, bats and balls to equip the youngsters.

Norry was elated at the cooperation shown by the boys on the opening day, and invited all Daly City youths of 15 years and under to turn out on Saturdays. Beginning at 11 a. m. each week, he plans races and games before the baseball games, which are scheduled to start at 1 p. m.

The new director has been handling the Daly City Juniors baseball team in past seasons, and is having them fitted out with new uniforms for this season's Sunday morning games at the park. Of the total of twelve suits being purchased, six or eight of them have been subscribed by local merchants, and the others will no doubt soon be underwritten by those wishing their names to appear on them.

Marchbank park's Sunday afternoon game was a walk-away for the Acme Brewery team, which soundly trounced the Coast Guard Invaders, a service team.

In the 11 a. m. game, Sunday, April 16, the Daly City Juniors meet the Moore's Fountain team, and at 2:30 p. m., the Alvin Joseph Motors of Hayward go up against the Longshoremen.

'Lassie Come Home' Now Showing Here

The story of a love that almost passes belief, that of a small boy and a gorgeous collie dog, brings a different kind of entertainment to the screen in Metro-Goldwyn-Mayer's adaptation of Eric Knight's story, "Lassie Come Home," now showing at the Daly City theatre.

It is the simple story of a Yorkshire family and a beautiful collie. Sam Carraclough (Donald Crisp) owns the dog idolized by his son Joe (Roddy McDowall). Through poverty he is forced to sell the canine to a wealthy nobleman (Nigel Bruce), who takes Lassie from Yorkshire to his Scottish estates. But the dog, longing for her young master, escapes, and makes her way, a thousand miles, back to her young master. The animal braves perils and starvation, is befriended and even sometimes menaced, by kindly farmers, in a vivid and compelling drama.

Filmed in Technicolor amid gorgeous scenic locales, the picture was directed by Fred M. Wilcox.

Crisp and young McDowall are as intriguing together as they were in "How Green Was My Valley," and Elsa Lanchester plays an understanding and sympathetic mother. Dame May Whitty and Ben Webster give magnificent performances as the old Scotch couple who befriend the starving and exhausted animal. J. Patrick O'Malley plays the brutal dog trainer.

Lassie, the collie, establishes herself as a new camera star, with her amazing intelligence and personality.

Current Attraction At Daly City

Roddy McDowall and Lassie, stars of M-G-M's Technicolor film, "Lassie Come Home," which opens tonight at the Daly City theatre, have a great love for each other, which artist Morr Kusnet brings out vividly in this sketch. The story is based on Eric Knight's famous novel of the same name.

P. G. & E. To Test Pressure Cookers Free

Recognizing that the safe canning of foods with a home-size pressure cooker depends on the accuracy of the gauge, the Pacific Gas and Electric company, this year, will test pressure cookers equipped with dial-type and slide-type gauges, free of charge.

In Daly City the program will begin, Wednesday, April 19, and continue until all local pressure cookers have been tested, if so desired by their owners. James B. Hughes, Daly City, who is a field representative for the utility firm, will do the testing at the local office, 12 Wellington avenue. His hours will be 1 to 4 p. m., Wednesday afternoons.

The Agricultural Extension service of the University of California stresses the fact that a temperature of 240 degrees Fahrenheit is necessary for safely processing meat, fish and all vegetables except tomatoes—and when this temperature is attained in the cooker the pressure is equal to ten pounds and the gauge should so register. However, if the gauge is inaccurate it might register ten pounds when in reality the pressure and temperature are lower. Therein lies the danger. And it is to eliminate this danger that the P. G. and E. has undertaken the testing program, company officials said.

REMINDER

Just a reminder—**Saturday, April 15,** is the deadline for filing your 1944 Estimated Income Tax Declaration with the Collector of Internal Revenue. It's also the very last day to pay your California state income tax. In case either or both tasks still confront you, it's high time to hurry!

ANNOUNCE SLOGAN

Supporters of Gilbert D. Ferrell for superior judge, Department One, San Mateo county, announce that the slogan chosen for his campaign is "A judge for all the people."

In this area, James Ferguson, principal of Jefferson Union high school, and Thomas J. Callan, Colma rancher, are actively working for Ferrell's election. Ferrell is now district attorney of the county.

Veteran Firemen Hold Regular Meet

President Ernest Romer called the regular meeting of the Daly City Veteran Firemen's association to order at 8:15 p. m., Friday, April 7, at 188 Santa Barbara avenue. The membership heard a stirring plea from Captain Al Sundstrom, Company No. 4, D. C. F. D., on the need for blood donors for the San Mateo County Blood Bank.

The group voted to make a donation to the Red Cross War Fund drive and purchased tickets and a program ad from the Widows' and Orphans' association of the local fire department for the May 6 annual ball.

Remi Sanders was appointed chef in the place of the late A. N. Lang, out of respect for whom the meeting was adjourned.

At the close of the business meeting, refreshments were served and Fred Mather was the member with the widest grin.

GETS PROMOTION

Joseph E. Corsiglia, Pearl Harbor Navy Yard worker from Colma, has been promoted from refrigeration mechanic second class to refrigeration mechanic first class.

He is one of the many workers who are carrying out the slogan, "We keep them fit to fight," which was originated by Rear Admiral W. R. Furlong, commandant of Pearl Harbor Navy yard.

Formerly employed by S. and W. Fine Food company, Redwood City, Corsiglia has received the praise of the shop master for his splendid efforts there at the only war zone Navy yard.

SCOUT MEETING

All Daly City Boy Scout leaders are invited to attend a meeting to be held, tonight, April 13, at the home of Police Chief James G. Reardon, 20 Rice street. The session has been called by San Francisco headquarters.

Under discussion will be the future of the Boy Scout movement in this community.

Legion Gives Tips For Veterans

At tonight's meeting of Daly City Post No. 410, American Legion, held at 474 San Diego avenue, the men will hear the good news that they have exceeded their quota by 201 per cent in the recruiting of new members.

The local post wishes to call to the attention of honorably discharged World War II veterans that if they owned property in their own name previous to March 1 they are entitled to file for $1,000 exemption on real estate taxes as provided in Section 1 1-4, Article 8, of the constitution of the State of California.

The post already has in operation a plan to assist honorably discharged servicemen in ascertaining and insuring their rights. This work is handled by the Service committee under Vice Commander Marall Smith, 488 Willits street, DElaware 9438. Full details may be secured by calling him.

Although Army Emergency relief is functioning in camps and posts its operation in civilian communities is incomplete and that is where the Legion has been asked to step in.

Fire Chief's Niece Weds At Saturday Rites

At a pretty wedding ceremony in All Hallow's church, San Francisco, Saturday evening, Miss Dorothy Mae Schibi was given away by her uncle, Fire Chief Andrew P. Chesney. Miss E. Carey was her bridesmaid.

The groom, Robert Anderson, U. S. Coast Guard artillery, was attended by Carl Stewart.

After the ceremony the party returned to Daly City where the bride's aunt and uncle, Mr. and Mrs. Chesney, 298 Crocker avenue, had prepared an attractive buffet supper for the fifty invited guests.

Among the guests at the reception were twelve men from the groom's outfit, which has been ordered to active service.

Local Girl Married At Arkansas Ceremony

Future plans for Sergeant and Mrs. Clinton Lucas Pedroni depend on his Army orders. The two exchanged rings and vows, March 25, at a ceremony performed in the court house of Clay county, Arkansas.

The bride, the former Maeaddie B. Osborne, wore a sea green suit and had a corsage of white butterfly orchids and deep purple accessories.

Mrs. Pedroni is employed with the War department here. She is a member of Crocker Chapter No. 382, O. E. S., and the daughter of Mr. and Mrs. Clifford E. Britton, 598 Evergreen avenue, where she is making her home at present.

Sergeant Pedroni is the son of Otto Pedroni, East bay, former chief of the fire department at the Presidio, San Francisco.

The trip East for her wedding was Mrs. Pedroni's first long trip away from California. She reports being especially thrilled about seeing snow. There was a heavy snow fall the evening of the wedding.

TAKE CARE OF BOOK 4!

Housewives were advised today by the Office of Price Administration to take good care of War Ration Book Four, and to keep War Ration Book Three in a safe place.

For the first time since rationing began a year ago, all buying of rationed foods is now done from one ration book—Book Four—and that book will be in use about three times as long as earlier food books.

With ordinary care, the ration books will last without giving trouble. If they are abused, they will wear out rapidly, just as any other book, OPA said.

Applications are received frequently by local OPA Boards from persons who want their ration books replaced for various reasons. Some have been lost, others damaged by fire or water, while some have fallen into children's hands with disastrous results.

Since no more ration books are to be printed soon, the replacement of damaged or lost books may become increasingly difficult.

The longer life of War Ration Book Four is made possible by the use of 10-point stamps and tokens under the program which began February 27.

Although since March 20, when the last of the brown meats-fats stamps ran out, War Ration Book Three has not been used for food buying, housewives must keep the book, since it contains Airplane Stamp 1 now good for shoes, and probably will continue to be used for shoe rationing. In addition, occasional uses may be found for other stamps in Book Three. Stamp 18 in War Ration Book One is also good for shoes through April 30.

FRANK DISCUSSION NEEDED

Until very recently, a majority of people gave little heed to public spending. Everybody from chamber of commerce to soap box orators devoted a large share of their time figuring out how to get a bigger cut in Federal handouts. The trend for years has been toward bigger and bigger peacetime Federal budgets and more and more debt. As war loomed on the horizon, prosperity spread through the land on the wings of borrowed money.

Today the lid is off, with hundred-billion-dollar budgets and 50-billion-dollar deficits. The country has borrowed its way into an unprecedented war boom. As a result, taxes are now making people realize that the government must collect money as well as spend it, and that it must eliminate peacetime prodigality, the same as an individual.

Politicians, Republicans and Democrats alike, have shied away from a frank discussion of the nation's financial problem, either because the pay envelope of every wage earner is involved, or because they honestly don't know the answers. That is inexcusable when the solvency of the country and the savings of every individual are at stake.

It is futile to claim that we have done our "tax" best to meet the cost of the war. We have not. If we had, we would not now be riding the crest of individual prosperity.

A NECESSARY EVIL

The essential level-headedness of retail distributors on the question of wartime controls is clearly revealed in the prevalent expressions from merchants in favor of extending the life of OPA, whose powers are due to expire June 30, unless renewed by Congress. Speaking for food distributors, Chain Store Age declares: "Grocers don't like price control or rationing any more than our boys at the front like fighting for their lives. But they know these things are necessary if we are to lick inflation on the home front, as well as our enemies on the fighting fronts."

When a nation is faced with spending hundreds of billions of dollars to meet military demands, or suffer extinction, the people are left no alternative. Money has no value compared to national survival. We are spending today for the sake of survival, at a rate that would have been thought impossible before the war. Borrowed money is flooding the country. Retail distributors know the awful potential of too much money. Consequently, they would be the last to wish for removal of regulations designed to maintain stability. They raise their voices in criticism, not against the basic purpose of price and rationing measures, but against defects in those measures. They likewise vehemently protest the use of these necessary controls as an excuse to impose social changes upon the nation—such as the destructive production-for-use theory. They oppose these things because they undermine the legitimate aim of price fixing and rationing—inflation control.

It does not require an economic expert to realize that laws which stop merchants from selling low-cost wearing apparel are a threat to orderly distribution and the living standards of consumers. Nor does it take an expert to figure out that price fixing which eliminates all profit, drives retailers out of business and thus promotes inflation.

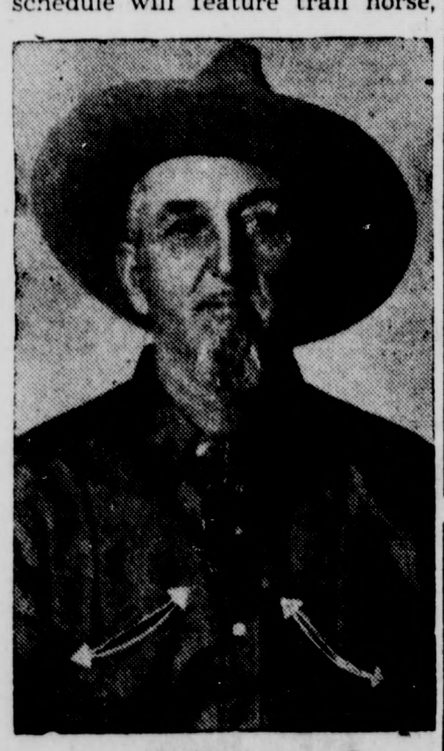
Yes, retail merchants know why we have the OPA as well as they understand its shortcomings. Therefore, they will continue to support it while seeking correction of its inexplicable rulings.

"Everybody Takes Part"

BIG RODEO AT COLMA

Avery "Buffalo Bill" Williams has announced that his rodeo and horse show will be held at Lovchen Gardens, Colma, Saturday and Sunday, April 22 and 23. He described the coming event as one "where everybody takes part and has a good time."

The Rodeo will include bronc riding, Brahma bull riding, team roping, calf roping; horse show schedule will feature trail horse, stock horse, gaited horse, jumper, Palomino, and Pinto classes. There will be horse races of all kinds—relay, free-for-all, ladies', slow horse, and donkey.



WILLIAMS

Sunday, April 23, at 10 a. m., Daly City and Colma will have an opportunity to see a rodeo parade, starting from Templeton avenue and Mission street. Another highlight of the first annual, non-association rodeo, will be a big cowboy dance from 8 to 12, Saturday night, April 22.

Williams issued an invitation for local people to enjoy the 2-day event.

Housing Centers Place Only Fraction

During the past month, the War Housing Centers in Burlingame and Palo Alto tried to take care of 1830 applicants and succeeded in placing 286 of these in houses, apartments, or rooms. Unfortunately 1553 had to be disappointed, according to Louis Lengfeld, manager.

"Among the applicants we were unable to house is a steel worker, a Peninsula resident for many years, his wife and eight children. The house they were renting has been sold. The new owner has served an eviction notice on them and is asking immediate possession. A man, his wife, and four children are living in an unpartitioned basement. In one small Redwood City home with two bedrooms, an aircraft worker, his wife and six children are living with his brother-in-law, wife, and two children. Seven families are living in a house which has only one bathroom.

"The heavy demand continues from service couples and small families of servicemen stationed here temporarily before going overseas. Will anyone having a vacancy which could help house any of these people please contact the War Housing Center, 1108 Burlingame avenue, phone Burlingame 4-2588?" Lengfeld asked.

KEEP ON Backing the Attack WITH WAR BONDS

OVER THE TOP FOR VICTORY with UNITED STATES WAR BONDS-STAMPS

READING & WRITING

BY Edwin Seaver AND Robin McKown

To John Hersey, war correspondent for Time and Life magazines, goes the unique honor of having two of his books selected by the Council of Books in Wartime as "Imperative." His first Imperative was "Into the Valley," an account of one skirmish on Guadalcanal. His second is the current novel, "A Bell for Adano," an immediate best-seller.

JOHN HERSEY

A small town in Sicily under the A. M. G. is the setting for this story. In charge of the American occupation in Adano is Major Victor Joppolo, born in Brooklyn of Italian parentage. He is a good and wise man; he understands the wonderful simple people of the town and he knows how much they want and need a new freedom.

The town bell which the fascists had seized to be made into ammunition is symbolic of the spiritual bereavement the people have suffered under despotic rule. "The spirit is more important than the stomach. The bell was of our spirit. It was of our history," one Italian peasant tells the Major.

Getting a bell to replace the one that was lost was one of the American Major's problems. But he has plenty of others in setting up a democracy among people accustomed only to injustice.

"A Bell for Adano" has already been bought for the motion pictures. It should make a wonderful film.

• • •

The Book-of-the-Month Club selection for May is "Yankee From Olympia: The Story of Justice Holmes and His Family" by Catherine Drinker Bowen.

• • •

You know the standard gag about the novelist who doesn't recognize his own brain child when he sees it on the screen. Franz Werfel, famed author of "The Song of Bernadette," is the exception that proves the rule. Here's what he writes about the current motion picture version of his great novel. "I am delighted with the inspired motion picture production of my novel. While writing the book I always had a sense of supernatural help. This same supernatural help must have prevailed during the making of the picture. The film is a sort of miracle, because in it there's not one moment of compromise with those commonplace conceptions frequently associated with the motion picture medium. It is a triumph for honesty of artistic purpose and unswerving fidelity to a literary truth."

It Was A Good Monday At Record

Monday morning is no time to expect the foreman at the Daly City Record to be wearing a broad grin. Just the same, that's how it was this week as Harold Bradshaw passed the cigars for a new son, born to his wife at French hospital, San Francisco, early April 10.

Mr. and Mrs. Bradshaw make their home at 20 Willits street. The new baby, who has two brothers, Kenneth and Roderick, has been named John Douglas.

Grace Presbyterian Exceeds Easter Goals

Grace Presbyterian church, Evergreen avenue and Hanover street, achieved outstanding attendance records at Easter services. The goal for Sunday school had been set for 150 and was exceeded by eight. Morning service attendance was so large it could not be accommodated even with the use of all the Sunday school rooms, which had been wired by C. R. Eichinger to carry the 11 a. m. service to every part of the building. J. Calvin Harberts made a recording of the entire service.

Seventeen new members were received during the morning service and eighteen adults and infants were baptised. A solo was presented by Miss Ethel May Jones. At Easter evening service there was a full house for the special program presented by the junior and senior high school young people.

Dr. William Harberts, pastor, states: "Great things are in store for Grace Presbyterian church if the people have a mind to work."

Next Sunday, April 16, at the 11 a. m. service, installation and ordination of the newly-elected deaconesses will take place. They are Mrs. Margaret Archer, Mrs. Einar Hanson, Mrs. Joseph Swan, and Mrs. Charlotte Valverde.

SEA SCOUTS

Infantry instruction will be given members of Sea Scout Ship No. 144 at their regular meeting tomorrow night, April 14, at 6266 Mission street. Skipper Bert Meritt points out that membership is still open for interested boys and that he will be glad to supply full details at any of the Friday evening meetings.

Eighty per cent of the ship's company was present at the Friday night April 7, meeting.

Mrs. Ann Welch and Mrs. Florence Beatty are chairmen, and they have been making every effort to insure the success of this annual whist which assists with the child welfare work of the state.

Plans will be made in the near future by the local auxiliary to raise funds to help the Department purchase a clubmobile for the South Pacific.

EASTER PARTY

Mrs. Martha Jane Maher, 321 Peoria street, gave an Easter party for the girls of her Sunday school class, Thursday evening, April 6. Seventeen junior high school girls, members of the class, attended. Games and refreshments were enjoyed.

Mrs. Maher was assisted with her duties as hostess by Mrs. William Harberts and Miss Gertrude Harberts.

Mrs. America Faces The War

Fighting men take more food than they did as civilians. According to estimates, a 90-day supply of food is needed for each man in uniform stationed in the United States, but when Johnny Doughboy goes overseas, he requires a 270 day supply of food. That's a small indication of why victory gardeners are being urged to "grow more in '44." Twenty million Victory Gardeners produced eight million tons of food last year. This year the goal is 22 million gardens to grow 10 million tons.

Pickled, spiced and brandied fruits, which have been unrationed since last December are going back into the processed foods program in June. The reason, it has been announced, is to prevent too much of the new pack of fresh fruits from being diverted to fancy high-priced products and to make more fruit available for the nation's stock of canned fruits.

You can see the light on the new excise tax which Mrs. America is required to pay when purchasing electric light bulbs for her dealer must state the amount of tax separately from the maximum ceiling noted on price stickers and counter signs and also on sales slips if given. Prior to April 1, the excise tax on electric light bulbs was five per cent of the manufacturers' ceiling price, but the new tax law added 15 per cent, making a total of 20 per cent. A retailer may pass on the amount of the tax which he paid on each bulb or the amount of tax for which he was billed.

Hold on to your tire inspection records although periodic examinations of tires on passenger automobiles will be discontinued after April 20. You'll still need the record for gasoline rationing.

brakes and the car was not in gear. The owner, John Kron, El Cerrito, was given a tag for violation of Section 591, California Vehicle Code.

April 6 at 2:55 p. m. when a child accidentally released the brakes on a car owned by J. M. Marsh, 301 Wellington avenue, the automobile ran down the hill and up on a guide wire of a P. G. and E. pole. Miraculously it did not turn over and no one was injured. Chief Reardon and Officer Hopman investigated.

Sergeant Ricco Benedetti reported that property damage resulted when the autos of Eva Louise Levrotto, Burlingame, and Daniel Johnson, 953 Hanover street, collided on Mission street, north of Wellington avenue, April 7 at 5:55 p. m.

Officer George Savage reported to the scene of an auto-street car accident, April 8 at 7:45 p. m. at Rice and Mission streets. Property damage resulted. Persons involved were Lottie Alba Lambert, Colma, and H. Kane, 138 Vermont street, San Francisco.

There was an auto collision at Miriam street and Parkview avenue, April 9 at 12:50 p. m. Property damage resulted; Leslie Nichelini, 320 Parkview avenue, and Mario Monteverde, San Francisco, were the drivers.

Officers August Benassini and Roy Beecher found a cab belonging to the San Mateo Cab company at 1:30 a. m., April 6, at Price and Mission streets. It had been left there by the bandit who held the driver of the cab up in San Mateo. He had forced the cab man to drive him to a spot on the road in back of the Colma cemeteries where he took his small change and was just about to seize his wallet when an approaching car gave him a scare. He forced the cab driver to get out of the cab and he drove off in it, apparently deserting it where the officers found it at 1:30. Local police released the cab to its rightful owner.

A race with the Stork, complete with the proverbial "moments to spare" was in store for Archie Banfield and Mather who rushed Mrs. Clyde Wilson, 79 Vendome avenue, to Community hospital, April 6 at 10:35 a. m. in the Daly City ambulance.

Officers Roland Petrocchi, Beecher and Savage answered a call from Signal Coffee shop, Hillcrest drive and Mission street, April 8 at 1:25 a. m. to settle a dispute over a check.

April 9 at 10:05 p. m. Sergeant Benedetti and Officer Henry Sundermann jr. investigated a situation reported by Herbert Hix, 174A Werner avenue. Hix had come home to find his place entered and everything upset. Nothing had apparently been taken but all lights were tampered with and electric cords pulled. The electric clock had stopped at 4:10 p. m. indicating that that was the time of the entry.

Native Daughters Are Hostess Group At Service Center

El Carmelo Parlor No. 181, Native Daughters of the Golden West, is hostess organization at the Daly City Servicemen's club, 6201 Mission street, this week. The regular Saturday night dance is scheduled for April 15.

Last week's Easter dance was very successful, according to the committee. Highlight of the evening came when two boys were awarded telephone calls to their homes. The money to make this treat possible was provided by Edmund Cavagnaro and John J. Fahey sr.

The men who were enabled to telephone their homes were Corporal Lloyd Holmstrom, Seattle, Washington, and Technical Sergeant Joe B. Stone, Phoenix, Arizona. The consolation prize, a box of candy, went to Technical Sergeant M. P. Angland, Bend, Oregon.

This week, Mrs. Ed Byrne donated a carton of paper plates to the center. On Easter there were plenty of colored eggs for the fellows, and in addition the ladies fixed up Easter baskets for the youngsters of soldiers stationed here.

NEWS OF OUR MEN and WOMEN IN UNIFORM

U. S. NAVAL HOSPITAL, OAKLAND—"The noise in the composing room of the Daly City Record when it goes to press is deafening, but it was like a ladies tea compared to the sounds we put up with on Bougainville!"

That was the observation of Marine Private First Class **William A. Gfroerer** (cq), 25, son of

Mr. and Mrs. A. W. Gfroerer, 139 Vista Grande avenue, and former stereotyper for The Record, here today.

Private First Class Gfroerer is recuperating now from machine gun wounds he received in both legs while blasting the Japs in the Piva Valley sector of Bougainville, last November 24.

"Our unit was advancing through jungle grass and swamps on the day I was hit," he said. "I was one of the riflemen in our outfit and we were screening some Seabee construction units from the Japs. The Nips evidently located us and laid down a hot barrage that did little damage except that a few machine gun slugs hit my legs. All I could remember of that encounter was the terrific noise. It beat anything I ever heard in the composing room back home on The Record."

A member of the Marine Corps since September, 1939, Private First Class Gfroerer has been overseas since April, 1942, and served on a number of South Pacific bases before getting into his first major action at Bougainville. He was wounded on the twenty-fourth day of action there.

Hobbs Army air field, New Mexico, announces that Lieutenant **Jess W. Crowder,** 256 North Parkview avenue, has completed the Pilot Transition Four-Engine course there.

A. C. T. **Ted R. Gonterman jr.,** son of Mr. and Mrs. T. R. Gonterman sr., 151 Bellevue avenue, Daly City, was home for a weekend visit, recently. He has returned to Minter field, at Bakersfield, where he is stationed at present.

Corporal **Emo Barghini** has been assigned to the supply and service detachment at Fort Warren, Wyoming. He took special U. S. Army training at Stanford university.

Among those graduating from an intensive course of machinist's mate training at recent service school exercises at the Great Lakes, Illinois, Naval station, was **Bert Lytell Berg,** 18, husband of Mrs. Lorraine Berg, 323 Willits street, Daly City.

This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the twenty specialized courses taught at the service school are sent to sea, to shore stations, or to advanced schools, for active duty or further training.

Home On Furlough

Here's a recent picture of **William Freeman jr.,** son of Mr. and Mrs. William Freeman sr. He was just home for an 11-day furlough before reporting to Lincoln, Nebraska, for assignment.

Freeman won his wings at Las Vegas, Nevada, at gunnery school. Prior to that he took training at Amarillo, Texas. He was graduated from the local high school in 1943 where he was an active participant in all sports.

The Freemans live at 462 Evergreen avenue.

New Caledonia has been the meeting place of several Daly City fighting men and this time the two who met were brothers, **James Ragni,** Merchant Marine, and Sergeant **Richard Ragni,** U. S. Army. They are the sons of Mr. and Mrs. Joseph Ragni, 134 Acton street. They met "somewhere in New Caledonia," March 27.

Sergeant Ragni has been in the South Pacific for two years and he was more than thrilled to meet his brother. The get-together called for plenty of ingenuity according to a letter which James Ragni has just sent home describing the meeting. He also reported seeing **Angelo Stampanoni,** a Colma soldier.

During action against the enemy at Guadalcanal, Richard Ragni displayed outstanding leadership and was later the recipient of a commendation from Lieutenant General Millard F. Harmon.

"I have been in Italy for awhile and it is far better country than Africa," writes Private First Class **Melvin J. Kingon,** Daly City, to The Record. He went on to explain that the city where he is located has many operas, theatres, restaurants, jewelry and clothing stores.

"The Red Cross is a six story affair and has everything from swing bands to ice cream. We are allowed two bottles of coca-cola a month and that is really a treat. The black market is terrific and they have no rationing system, which means that the people with money live good while the poorer classes are homeless and half-starved. The city has been heavily bombed."

Kingon entered the service in April, 1942, and saw action in the African campaign.

It Costs More To Mail Letters

With so many things to remember—like ration dates, ceiling prices, the April 15 Declarations of Estimated 1944 Income, for example—maybe you've blithely forgotten that postal rates are different too; have been since March 26. The Daly City post office, 6251 Mission street, calls attention to the most common changes. These are:

The local rate for Daly City and San Francisco letters is now the same as that for any domestic mail—three cents. Henceforth, the only practical use for the old-fashioned red two-cent stamp seems to be to lengthen out the postage on air mail letters—on which the rate is hiked from six to eight cents. Of course, if the letter goes by air to a boy overseas, that won't be necessary; the postage there stays just the same—six cents per half ounce.

Parcel post packages now require at least one cent more, and money orders jump from one cent for a $2.50 order to 37 cents for $100. Cost of registering a letter is up one-third, and insured and C. O. D. mailing costs are doubled.

Colma Unincorporated Continues War Fund

Mrs. M Pauline Brown, chairman of the women's division for the 1944 Red Cross War Fund drive in Colma unincorporated, this week, received a letter from Mrs. Arthur L. Scott, county women's division chairman, thanking her and her committee for their fine job during the campaign.

Mrs. Brown reports that she has already forwarded $1,581 to county headquarters and late returns are still coming in. Anyone in Colma unincorporated, who has not given yet or who can afford to give more generously, may mail his check, made out to the American Red Cross, to Mrs. Brown at Box 1653, Colma, 25, California.

Quota for Colma unincorporated was $3,000.

Did You Paste That Sticker On Yet?

Motor vehicle owners of Daly City, this week, were admonished by Gordon H. Garland, director of the Department of Motor Vehicles, to paste their 1944 Registration Stickers on their windshields as soon as they receive them.

Director Garland said this is necessary for the protection of the motorists themselves as members of the California Highway patrol will shortly begin stopping all vehicles not displaying the stickers.

Appriximately 2,300,000 stickers have been mailed out to the

motorists of the state, he announced. It is expected that the remainder will have been cleared by April 15.

Department officials believe large numbers of vehicle owners have received their stickers but have neglected to paste them on their windshields as instructed. The stickers will be displayed as evidence of registration renewal in lieu of license plates.

Here are other instructions by Garland:

The sticker is mailed in the same envelope with the 1944 registration card. Don't overlook it when the registration card is removed.

Remove the sticker carefully from the cellophane envelope and paste the gummed surface to the windshield in a seven-inch square in the lower corner farthest removed from the driver's position.

In pasting the sticker on the windshield, wet the windshield—not the sticker.

Display the 1944 registration card in plain sight in the driver's compartment of the car. The use of a holder to strap it to the steering post is legal.

Continue to display the 1941 license plates. The 1942 cover strip and 1943 tab may be removed.

from service. In a communication to the Congressman, Major General J. A. Ulio, the Adjutant General, commends him on his program and predicts it will prove a decided help in re-establishing veterans after the war.

Special bureaux with trained personnel will be established after the war, through which returning veterans will be placed in jobs best suited to their talents and abilities, Anderson pointed out. The trained personnel will establish contacts with private industry, listing the number and nature of jobs available, he added, and then will list the qualifications of all veterans seeking jobs and place them accordingly. Full information will be given to all veterans, Anderson said, as to their rights and privileges under rehabilitation legislation already passed and to be passed, by the Congress in the future.

In another communication from Washington today, Anderson was highly commended by Congressman Clifford R. Hope, Kansas, for the fine assistance he has given to farm legislation. "Your assistance," Congressman Hope said, "with farm legislation benefitting the entire West has been invaluable."

American Women Give Services To Red Cross

This war has put to work nearly four million American women who voluntarily give of their time and energies to the American Red Cross to aid U. S. soldiers and sailors. Young and old, married and single, rich and poor, on farms, in small towns, and in large cities, they labor day and night in Red Cross chapter houses in every part of the United States. Last year, according to a recent Red Cross report, these volunteers contributed a total of 256,000,000 hours of time, carrying on a score or more nationwide activities.

As to the results of their efforts, a few figures reveal volumes. Between March 1943 and February 1944, they produced more than 925,000,000 surgical dressings for the use of the Army and Navy and for foreign war relief. Millions, too, of articles of wearing apparel were requested by the Army Medical Corps. The production work still goes on.

The Red Cross Canteen Corps has the job of feeding troops in transit. Coffee, doughnuts, sandwiches, soft drinks, friendly greetings, passed out as troop trains pass through, mean more to servicemen than can be put down in cold print. Women volunteers of the Canteen Corps operate a full-time service. If all the Canteen Corps in all the 3,756 Red Cross chapters were called upon to serve at one time, they could feed eleven and a half million people a day.

More than three million times last year the Home Service of the Red Cross was called upon to act as a link between the man in camp or at the front and his folks back home. Twelve thousand Home Service women are busy speeding the delivery of messages back and forth, relieving the anxiety of those at both ends of the line.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

THE TIME is now, as Spring is here and bountiful Summer approaches, to "service up" your refrigerator. Wash it thoroughly inside and out so that it will be sweet and clean for fresh food storage. Carefully give it soothing drops of oil where needed. Whisk out dirt and dust from the mechanism with a handbrush and dust rag. And of course, never let frost "choke up" freezing compartment. You MUST depend on your present refrigerator to take care of food for the hot summer days ahead. If repair is necessary, have it done now before the summer rush.

Julia gives 3 favorite baking recipes

There's something about a hot oven and the good smells that come from it, these lively afternoons, that makes baking a special pleasure. Of course I have favorite recipes to work with. For instance:

SCONES

(which are just as tasty for breakfast or dinner as they are at tea-time!)

2 cups enriched flour
3 tsps. baking powder
½ tsp. salt
1 tbsp. sugar
6 tbsps. shortening
1 tbsp. grated orange rind
½ cup seedless raisins (may be omitted)
1 egg
Milk

Sift flour; measure; sift again with baking powder, salt and sugar. Cut in shortening, add orange rind and raisins. Beat egg with fork in measuring cup, add milk to make ⅔ cup; add to dry ingredients, stirring only until all the flour is dampened. Knead on lightly floured board 20 to 30 seconds; roll or pat to ½-inch thickness. Place in ungreased 9-inch layer cake pan; score scones with fork. Bake in hot oven (450° F.) about 10 minutes or until brown.

CREAM PUFFS

(and here, the trick is to bake them long enough—they can be filled with prepared puddings, or home-made cornstarch pudding or ice cream or custard.

1 cup enriched flour
½ cup butter or shortening
¼ tsp. salt
1 cup water
4 eggs

Sift flour and measure; sift again. Combine butter or shortening, salt, and water in saucepan. Bring to boil, remove from heat and *add flour all at once*, beating until dough leaves side of pan; cool slightly. Add eggs, one at a time (have eggs at room temperature), beating until batter is smooth after each addition. Drop by heaping tablespoonfuls on ungreased cookie sheet, or form into strips 4 x 1-inch, spreading into shape with a knife. Bake in hot oven (450° F.) about 20 minutes, reduce temperature to moderate oven (350° F.) and continue to bake 20 minutes longer or until thoroughly dry and will hold shape. Makes 12 large or 24 small puffs.

LEMON TEA MUFFINS

(for one thing, they provide a pleasant change when friends drop in for tea.)

1 cup enriched flour
1 tsp. baking powder
½ tsp. salt
½ cup shortening
½ cup sugar
2 eggs
1 tbsp. grated lemon rind
¼ cup lemon juice

Sift flour and measure; sift again with baking powder and salt. Cream shortening; add sugar gradually, creaming until light and fluffy. Add egg yolks one at a time, beating well after each addition. Add lemon rind. Add flour mixture alternately with lemon juice, a small amount at a time, beating until smooth after each addition. Fold in stiffly beaten egg whites. Fill well greased muffin pans ⅔ full. Bake in moderately hot oven (400° F.) 10 minutes or until done. Makes 24 tiny muffins. Serve cold (no butter required!).

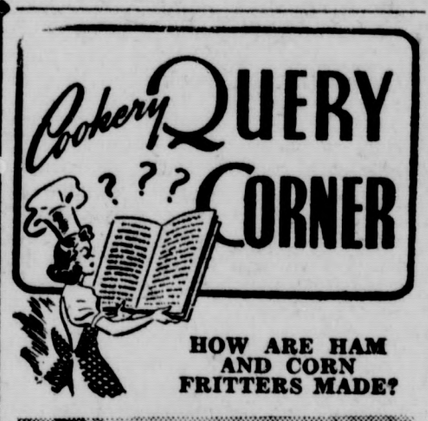
Troop 2 Holds Easter Egg Hunt

Members of Girl Scout Troop No. 2 gave an Easter egg hunt for their small brothers and sisters, Friday afternoon, April 7, at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues. Approximately forty youngsters under 6 years of age enjoyed the occasion.

The Girl Scouts had as much fun as the children, according to Mrs. Charlotte Kenny, leader.



The Ingredients

Mix ½ cup ground cooked ham, 1 cup whole grain corn with ¼ cup corn liquid, and 1 tablespoon minced onion. Sift 2/3 cup flour and 1½ teaspoons baking powder together. Add to ham mixture and blend.

Frying the Fritters

Heat 1 to 2 pounds lard to 375°F. or until a 1-inch cube of bread browns in 40 seconds. Drop by teaspoons into the hot lard and cook until nicely browned. Drain well by using a wire basket or soft paper.

The Finished Fritters

Serve the fritters hot for breakfast, lunch or supper. For breakfast serve them with maple or sugar syrup or citrus marmalade. For lunch or supper serve a fruit salad as the accompaniment.

Brownies Celebrate Easter Birthdays

Brownie Pack No. 8 held its regular monthly birthday party, Thursday afternoon, April 6, at Grace Church of the Nazarene. The birthday box was opened and the following girls were crowned "Queens of Spring:" Joan Smedley, Evelyn Rolff, Barbara Kenny, and Shirley Kenny.

The girls celebrating their birthdays were presented with gifts and cards. Refreshments were served, including a beautiful birthday cake. There were colored Easter eggs for all the Brownies.

Mrs. Charlotte Kenny, leader of Troop No. 2, was a visitor for the meeting.

Junior Red Cross Makes Report

Junior Red Cross members of the San Mateo County chapter enjoyed their Easter vacation, last week, with the satisfaction of knowing they had accomplished many things to further the happiness of hospitalized servicemen and other groups who are in need of cheering attention.

Every third month the local boys and girls provide the birthday cards for the monthly party held at Dibble General hospital, and exceptionally attractive ones were sent down to Menlo Park during March by the school children. Easter favors were made by Juniors in school groups and by the Girl Scouts and Brownies.

Four handmade afghans were completed by the San Mateo High School Red Cross. Eighty cribbage boards, by the Daly City elementary schools, together with a quantity of bed socks, cushion covers, bedroom slippers and utility bags were sent in to Junior Red Cross Headquarters office on Howard avenue, Burlingame, for distribution through the Pacific Area office.

The Junior enrollment drive took place, last fall, when school opened and, officially, they took no part in the War Fund Drive; but a number of schools participated voluntarily and brought in a considerable amount. Juniors throughout the chapter have assisted in the War Fund Drive publicity and closed their reports for the first three months of 1944 with results that were very satisfactory, according to officials for the group.

CHANGE MEETING

Members of the Ladies Auxiliary to Company No. 2, D. C. F. D., have changed their meeting night from the third Thursday to the second Tuesday of each month. They meet at the firehouse on Vista Grande avenue at 8 p. m. The new schedule went into effect for April.

Woodrow unit plans to hold its installation in May.

That "Different" Touch

By Frances Lee Barton

WE all know a friend or two from whom we are delighted to receive a dinner invitation. These friends are not content to serve a regular meal, but always have a dish or two out of the ordinary. Even though you may never have figured it out, it's that "different" culinary touch that appeals to you and makes you welcome the dinner invitation.

Learn to serve "different" dishes at your own tables. It will pay dividends year after year.

Studebaker Corp. To Double Output

Because the Pacific West now has a population at least 1,000,000 larger than in the pre-war years, the Studebaker Pacific corporation, when full peace comes, will double its former production when it swings from bomber motors to automobiles and trucks.

With a million-dollar plant expansion already blueprinted and budgeted by the corporation's long-range planners, this projected doubling of auto production will mean there'll be twice as many employees as in the peak pre- war year of 1941. It will also mean about a 15 per cent increase over the highest employment total for war work.

These definite disclosures have just been made here by C. K. Whittaker, president of Studebaker Pacific corporation, following his return from Studebaker's parent plant at South Bend, Indiana. Whittaker and his production chief, Vice-President Whitworth, agree that full after-victory reconversion will bring the daily average production of cars and trucks to 125 as against the 1941 average of 63 a day.

The plant expansion program will consist of additions to the factory building and new machinery.

"The figures quoted," explained Whittaker, "refer to the days of complete peace. But even if Japan is still in the war after Germany is knocked out, I believe we shall be able, at least in part, to start our reconversion plans."

He says there'll be no layoffs of men at all, unless it be for three or four weeks when the changeover from bomber engines to automobiles is taking place.

Home Food Production Head Issues Warning

The "frost'll git" your tender plants if you put them into the ground now, George Davis, chairman of the Home Food Production committee of the San Mateo War Council, warned Peninsula gardeners today.

"It is too early to plant warm weather crops; if you want to garden, use your energy in preparing the ground for later planting. Get a copy of the planting guide experts have written for those putting in Victory gardens in the county. The guide tells when and how much and what kind of plants to put in," Davis said.

The planting guides are available to anyone who requests them at the committee headquarters in the War Council offices—1350 Howard avenue, Burlingame.

. "If you must plant seeds, plant the hardy crops such as carrots, beets, turnips, lettuce, radishes and the like. Potatoes can be planted now since they will sprout after the danger of frosts is gone," Davis concluded.

OPA Reports Decrease In Price Of Peas

Peas decreased 2c per pound and lettuce increased 2c per pound on the market basket price list on fresh fruits and vegetables announced, this week, by the San Francisco District Office of Price Administration for the week beginning Thursday, April 6.

The retail ceiling price for peas now is 17c per pound, and all head and leaf lettuce now is under a ceiling price of 11c per pound. "Between season" supply conditions and heavier government purchases for military camps resulted in the increase in the retail ceiling price of lettuce.

Members of Boy Scout Troop No. 141, supervised by Scoutmaster Joseph Straughan, held their spring camp at Cypress Grove, Sharp Park, during Easter vacation week. Passing of second and first class tests was the major theme for the week.

Those in attendance included Ray Lagomarsino, leader, Erick Durkins, Jacob Hummel, Robert Sayko of the Flying Eagle patrol; Leslie Bock, leader, Alfred Christiansen, Edward Smith, Claget Shulda of the Indian Patrol; Cub Alfred Smith, who was headquarters orderly.

Tests passed were fire building, cooking, nature study, judging, star study The boys practiced signalling and even wired their tents for a camp communication system.

They've named their cabin at the camp "Glenn Goode cabin" in honor of former Assistant Scoutmaster Glenn Goode, now in the armed forces. One of the highlights of the week was a hike up Pedro mountain.

By mistake (or could it have been design) one of the boys poured three quarts of peanut oil into the cask of spring water. He explained he thought everyone should "get up oily the next morning."

Port Security

Urgent need for additional recruits to join San Francisco's regiment of the Coast Guard Volunteer Port Security Force was stressed in an appeal issued, yesterday, by Roy C. Ward, commanding officer.

Men are particularly sought for the day watches. Employers are asked to cooperate "for the use of a few hours time each week that will permit an employee to join the service and stand daytime watches twice a week guarding ships and waterfront installations." Each watch covers a six hour period.

Appeal also is made to present members of the regiment to canvass their friends, club members, tradespeople and others for volunteers.

Recruits come from all walks of life, between the ages of 25 and 65, either too old or too handicapped physically for combat duty. After competent training under the supervision of the Coast Guard, they are sworn in as seamen first class of the Coast guard Reserve and serve for the duration of the war.

Applicants are urged to contact the recruiting office, Room 312, 244 California street at once. Daly City men may secure additional information from Joseph Mather, 6041 Mission street.

KEITHLEY'S QUALITY — FARMERS MEAT COMPANY

FRUITS and VEGETABLES

(Hours: 9 a. m. to 9 p. m. - Store Closed All Day Mondays)

HERE THEY ARE!

Garden fresh vegetables are now at their best. Serve them daily for your family's health and to conserve packaged foods.

For daily menus or for *'company meals,'* you'll find KEITHLEY'S your best source for these foods. Our truck brings them, garden-fresh, from the growers' markets for your selection.

MAKE YOUR Ration Points COUNT

It's true many of we Americans are experiencing for the first time, a shortage, or rather a limitation of some things we want to buy. We are allowed to purchase only a given quantity of meats during a stated period.

However, the limit is put on the amount of meat purchased, not on the amount of food value derived from the meat. Wise spending of ration points stretches their buying power.

Good quality meats, cut to your order, and sold at economical prices, will help solve your wartime food problems. And that's the prescription we fill at the Farmers Meat Company.
